

# MONTANA, HERE WE COME!

## OPEN TRAILS ATV CLUB LINCOLN, MONTANA RIDE JUNE 25 THROUGH JUNE 28 2011

**Group rides** are currently planned for Sunday, June 26<sup>th</sup> through Tuesday, June 28<sup>th</sup>. How long you stay and what days you ride are entirely up to you. Some of the riding could be quite difficult with steep terrain.

**Temperatures** at this time of the year can range from the 40s at night to the upper 70s during the day. With the amount of snow they have received this winter, it is possible that we could run into snow at the higher elevations.

**Local amenities** include the D&D grocery store, Cenex gas station, and a number of restaurants. It is not known if restaurants will be available along the trails, so everyone is encouraged to pack lunches and snacks for each day of riding. [Travelmt.com](http://Travelmt.com) has additional information on things to do in the area.

**Special permits/licenses** are not required to ride in Montana as long as your ATV is registered/licensed in Minnesota. Riding double is prohibited in Montana unless your machine is a two-up. The local Chamber has informed us that ATVs are allowed anywhere in town.

**Accommodations** are not available with both camping and rooms but there is no reason for concern. Lincoln is a very small town so we won't have far to go to see each other. Here are some suggested accommodations.
